

Digital Apprentice (Accounting)

£15,600 -
£20,895

Depending on level

Who are we?

We are **Gravitate**. A digital accounting and advisory practice based in Sheffield. We work with businesses to help them automate their finances, remove financial stressors and boost resilience as they grow.

We are leaving the old-fashioned ways of accountancy in the dust, setting new and better standards, and always putting our people at the heart of our success.

Who we're looking for

We're looking for enthusiastic, **eager-to-learn** individuals who want to begin their accounting careers in a modern, technology and culture-driven environment.

You don't need years of experience, just a genuine interest in numbers, a positive attitude, and the drive to develop your skills alongside a supportive team.

We use the latest industry technology to automate our clients' accounting systems. As an **Apprentice Digital Accountant**, you'll get hands-on experience with tools that are shaping the future of accounting.

What you'll be doing

- ✓ Support our team in collaborating with business owners to help strip away their financial stress and make their lives easier.
- ✓ Assist with daily bookkeeping tasks and help maintain accurate digital records.
- ✓ Support clients with Self-Assessment Tax Returns and Digital VAT Returns under the guidance of senior team members.
- ✓ Learn and use the latest accounting tech, including Xero, FreeAgent, Dext, QuickBooks and Sage, developing skills that will set you up for a long-term career in digital accounting.
- ✓ You will work towards a recognised accountancy qualification (such as AAT Level 2 or Level 3). You'll benefit from dedicated study time built into your working week, with full support from the team as you balance on-the-job learning with your studies.

Our promises to you (benefits)

- **Full visibility of company performance:** You will form a key part of the business from the start and this knowledge will help us work together to smash targets.
- **Profit share:** Excellent performance will always be rewarded.
- **No timesheets:** Our business isn't dictated by hourly rates instead by the value we add to clients.
- **Flexible working** - flexible hours
- **Modern offices** and team lifestyle
- **25 days holiday a year** + Stat (with ability to increase based on years of service)
- **Paid day off** for your birthday
- **Personal development:** We will help you to be the best you.
- **Career progression**
- **Flexible dress code:** Just smart when we need to be.
- **Regular team events:** We work hard as a team so let's enjoy our success together
- **Weekly Fitness Truck Sessions:** We work hard and work out harder
- **Work mobile phone:** We want you to be contactable by clients but on your terms
- **Mental Health** and Wellbeing support
- **Medicash** benefit giving you cashback on things like therapy, opticians and more.

If you're interested in joining our team and taking the next step toward a career in accounting, we'd love to hear from you.
